1 Product Sales

As a SEACRET Agent you are always eligible to earn commissions from retail product sales. These are paid out on a weekly basis and reflect both your website orders and offline product order forms.

SEACRET Agents can make retail sales up to 150% profit. This is the difference between the wholesale and retail price of the products.

2 Preferred Customer Compensation

Preferred Customers (PCs) are customers who have enrolled in the SEACRET Regimen. This means they have chosen to order a minimum of \$49.99 on a monthly basis and have future replenishments setup on their account. This commitment to purchase entitles them to receive discounted pricing, exclusive product promotions, loyalty reward incentives, and free gifts while they remain an active preferred customer. A preferred customer is active when they have purchased a minimum of \$49.99 in a calendar month.

RESIDUAL COMMISSION

Enrolling Preferred Customers is a great way for Agents to build a residual income. For each order placed by your personally enrolled Preferred Customers and any customers referred by your Preferred Customers, you will earn anywhere from 20-25% of the BV.

- ▶ 20% Star and Superstar
- ▶ 25% Bronze and Higher

You must qualify with a minimum of 200 TPV or 4 Active Preferred Customers to receive PC commission.

PCs also have the option to pause their replenishments for 1 month every 3 months and still retain all their PC benefits.

*Bonus Volume (BV) is the point value for each product used for calculation of commissions and bonuses.

**200 TPV or 4 Active Preferred Customers must be achieved to release preferred customer commission. PC commission will be banked as long as an Agent remains Active until qualifications are met.

3 Team Commission

The SEACRET Agent Compensation Plan is simple. It is built on the Power of 2. Unlike many plans that require focus on a multitude of groups to succeed, our system requires that you focus on building just two teams. You get paid on your entire team infinitely. This means there is NO generation cap to your potential income.

How does it work?

Simply share your SEACRET with two of your friends, family or colleagues, and encourage them to do the same. When you enroll 2 Agents and help them enroll 2 Agents, you are now building a team. Duplicate this process over and over again and watch your volume GROW. There is no limit to the size your team can grow.

The SEACRET Agent Compensation Plan is based on two legs with a 1/3, 2/3 payout. As a Star, you earn 10% of the lesser volume team. As a Bronze or above Agent, you earn 15% of the lesser volume team. Team Commission Matches are paid in increments of 500 lesser leg volume which match against 1000 greater leg volume. When a binary match is paid, the volume is deducted from the left and right team volumes in a 1/3, 2/3 ratio. For example, if a Team Commission is paid on a lesser leg volume of 3000, then you deduct 3000 from the lesser leg and 6000 from the greater leg. The remaining volume that has not been matched carries over to the next period.

THE POWER OF 2

Agents can earn up to \$25,000* per week with this one income stream alone!

* In order to receive team commissions, you must be an Active Agent (35 PV or 200 TPV) and Qualified (One personally enrolled Active Agent on both your Left and Right Team)

4 Leadership Check Match

Qualified Bronze Agents and above are eligible to receive **Leadership Check Match**. This is an UNLIMITED stream of income for you, by simply helping other Agents achieve success. Earn up to 20% on the Team Commission of Agents that you help achieve Bronze Rank or Above within your enrollment tree. You can earn on up to 4 generations* of Bronze Agents and Above.

		TEAM 1									
		Bronze	Silver	Gold	Platinum	Ruby	Diamond	Blue Diamond	Red Diamond	Crown	Crown Royale
